

Volume:	14094	cm³
General wall thickness:	2.7	mm
Unless otherwise specified, sharp edges and corners max. R:	0.5	mm
Flashes / burrs max.:	No Burrs	
Ejector pin marks flat with or below surface max.:	0.2	mm
Not indicated texture outside surfaces according to:	-	
Not indicated texture inside surfaces according to:	-	

Part name: Housing BPC	Material: Aluminium	Date lyyyy-mm-dd: 2014-03-14	Drawn by: DK	Checked: SP
Part number: -	Colour: RAL 5012	Size: A1	Scale: 1:1	Units: mm
Project: IP67 Housing New	Treatment: Powdercoated	Status: 0 Released for tooling 1 Released for production	Document name: Housing_Victron_BPC_IP67_R01.2014.0314	
Not indicated tolerances: Dim: 0.1 Angle: ± ° Standard: DIN 1688, GTA14		3D CAD reference: Housing_Victron_BPC_IP67_R01.2014.0314		Revision: 01
Three dimensional CAD data is final reference for dimensions and surfaces. Materials should comply to 2011/65/EU, its appendices and its successive amendments.		3rd angle projection
